

Tax File Number (TFN) Declaration

You can use this form to provide Prime Super with your Tax File Number (TFN).

Please read this information before you complete the form

You have options in how you provide your Tax File Number (TFN) to us. You can do so immediately via MemberOnline or call us on 1800 675 839. Alternatively, you can complete this form.

You are not required to provide your TFN to us. If you choose not to provide your TFN you may pay more tax on your super benefits than necessary, and Prime Super will be unable to accept personal (non-concessional) contributions from you. For more information about your TFN contact the Australian Taxation Office (ATO) Superannuation Hotline on 13 10 20.

Under the Superannuation Industry (Supervision) Act 1993, Prime Super is authorised to collect your TFN and will only use it for lawful purposes including to identify or find your lost super, merge accounts in Prime Super, calculate tax on payments and provide information to the ATO. We may disclose your TFN to another super fund when your benefits are being transferred, unless you request otherwise in writing.

If you are completing a printed copy of this form, please use pen and BLOCK letters.

3 Your Tax File Number

If you have ever changed jobs, you may have more than one super account. We can help you find any other super you have so you can roll it into your Prime Super account and pay only one set of fees.

We need your consent to help find your super – please read the following paragraph and tick the box below if you would like us to do so.

I authorise Prime Super to use my personal details, including my Tax File Number, to search for any lost, unclaimed, inactive or active super I may have with other funds or the Australian Taxation Office (as permitted under the Superannuation Industry (Supervision) Act 1993 (Cth) and Regulations). I understand Prime Super will notify me of any lost, unclaimed, inactive and active super found.
